Russian Federation is very big country with many nationalities and their traditions. In my opinion, the most interesting part of Russian traditions is food, because it is always great experience for stomach and good memories for person. gr.

I think, the most & popular national food in Russia is Borsh'. It is a soup with many vegetables and different meat, but usually it is red or orange colour. Everyone in Russia knows about this dish and it is popular food at the cafes for foreigners in different countries. gr. gr.

But there are also many unusual dishes for foreign tourists. For example, it can be any food with deer's meat. There are soup with it, steaks, also some people eat it completely raw. There is ice cream with it too!

My family is obsessed with pancakes. We eat them with different jams and or honey. Also we often have mashed potatoes with meatballs or Draniki for dinner. It is very delicious, and we are never tired of it.

I would recommend for foreign tourists to try Borsh' as the most popular dish and Draniki because it is interesting way to cook potatoes. I hope national food of Russia will be as popular as burgers or pizza in the whole world, and everyone will try our tasty food.

Charlotte

Every country has their own national dishes. Food is ~~also~~ also an important part of a culture. Russia is the biggest country in the world. There are many nationalities and ~~a~~ lots of delicious dishes. People all over the world visit Russia to try our national food.

Borsch is the most popular national dish in our country. ~~Some foreigners~~ Usually it is a first food foreigners try when they come to Russia. As for me, my favourite Russian dish is Charlotte. It is a cake with pieces of apples inside. I really like how my grandmother cooks it. Her Charlotte is very tasty.

By the way, some Russian food can be really specific for foreigners. For example, a jelly meat might be strange for them. But the mixture of meat and chicken both is delicious. Also, dumplings can be specific for foreigners because we usually eat it ~~with~~ with a sour cream!

In fact my family is fond of cooking. Usually we cook altogether on weekends and our traditional dishes are pancakes and Charlotte.

If you are planning to visit Russia I would strongly recommend you to eat borsch and okroshka. It really worth it!
